Release date: 23 aug 2021

More Service 9.0:

Read about the new features in [More Service 9.0 here](#)

9.0.7 Fixes

Forms editor - User selector missing

The component for selecting More Service users did not work in the More Service Portal forms.

E-mail dialog

Now the To,CC,BCC, subject and attachments is checked for changes before a e-maildialog is cancelled /closed without sending.
